PROMOTIONAL TERMS AND CONDITIONS

SOLAR BLAST ACTIVATION COMPETITION PROMOTION RULES, TERMS AND CONDITIONS

Promotion Rules

1. **The Solar Blast Activation Competition** runs at participating Stage Zero activation stands in two prize weeks: 23 – 29 November 2026 (Black Friday Week) and 30 November – 6 December 2026 (Cyber Monday Week). Competition entries will only be accepted on scheduled activation dates, as determined by Stage Zero's activation schedule, and during the operating hours of 08:00 to 18:00 on those dates. All times are South African time.

2. Entry is free and no purchase is required. Games played before 23 November 2026 are for promotional purposes only and do not qualify for entry into the competition or prizes.

3. To enter, provide your name, surname, mobile number and email address, acknowledge the Privacy Policy, accept these rules, terms and conditions and complete the 60-second Solar Blast game on a Stage Zero device at a participating activation stand.

4. Entries must be made in person on a registered Stage Zero device. Personal devices, remote play and entries submitted on another person's behalf do not qualify. Use the same accurate contact details each time you play.

5. You may play more than once. Only your highest valid score for each week will count. Scores do not carry over between weeks. The weekly leaderboard resets on the relevant Monday. Multiple games do not create multiple prize positions.

6. Each week, the three highest verified individual scores win Takealot vouchers: first prize R10,000; second prize R4,000; third prize R1,000. The total prize pool is R30,000. Each person may win only one prize across both weeks. Week 1 prize winners cannot win again in Week 2; their places pass to the next eligible entrants.

7. Leaderboards are provisional. Stage Zero will verify scores, gameplay recordings and eligibility before confirming winners. Checks may include identity, entry time, registered device, activation stand location and duplicate entries. A displayed ranking does not guarantee a prize. Cheating, false details, tampering or having someone else play for you, or any other suspicious activity that Stage Zero may identify at its sole discretion may result in disqualification.

8. Ties affecting a prize will be resolved through a supervised skill play-off at 16:00 on 1 December 2026 for Week 1 and 16:00 on 8 December 2026 for Week 2. Tied entrants will receive venue details at least 24 hours beforehand. Each tied player plays two rounds; the best score ranks first, followed by the second score. Further tied players replay until separated.
9. Potential winners will be contacted by mobile and email and must provide proof of identity and eligibility. Stage Zero will allow seven calendar days from first contact to respond and provide the requested evidence, with at least three contact attempts. If a person declines, is ineligible or fails to respond, the next eligible entrant may be considered, subject to any required play-off.
10. Winner announcements are planned for 3 December 2026 and 10 December 2026, subject to verification. Any unresolved prize will be announced only after checks and any play-off are complete. Prizes will be delivered as vouchers by email by 18 December 2026.

Terms & Conditions

1. The competition is open to **South African residents aged 18 years or older** with a valid identity document. Existing Stage Zero customers may enter. Proof of age, identity and residence may be requested before awarding a prize. Stage Zero employees, competition organisers and their immediate families may not enter.
2. Competition rounds are recorded to verify scores and prevent fraud. Play without recording does not qualify for entry into prize draws.
3. Prizes are not transferable or exchangeable for cash. Takealot's voucher redemption and validity terms apply and will be provided to winners, including any expiry date. No fee is payable to Stage Zero to claim a prize.
4. Participants must follow Stage Zero staff instructions and use the designated play area safely. Stage Zero reserves the right to (at its sole discretion) to stop unsafe conduct or suspend faulty equipment. Staff may explain the game but may not play for an entrant. Participants take part in the competition and use the game and activation area at their own risk. Stage Zero is not liable for injuries sustained in connection with participation.
5. Stage Zero is not liable for the failure of any technical element relating to this promotion that may result in an entry not being submitted.

7. Stage Zero shall have the right to modify the rules of this competition and/or to terminate this competition immediately and without notice for any reason beyond its control requiring this. In the event of such termination, all participants agree to waive any rights that they may have in terms of this promotion and acknowledge that they will have no recourse against Stage Zero, its agents and staff.
8. Stage Zero reserves the right to disqualify any potential customer who does not comply with the promotion rules or provides false/misleading information.
9. Participation in the promotion constitutes acceptance of the promotion rules and agree to abide by the rules.
10. All queries in connection with the promotion should be directed via email to the marketing department to **promotions@stagezero.co.za**, or by contacting the **Stage Zero Support Desk** on **087 162 5000**.
