Volta 700X

PRODUCT OVERVIEW

Built for adventure and designed for versatility, this rugged powerhouse keeps you powered wherever life takes you. From bringing the comforts of home to your next camping or fishing trip to providing reliable, uninterrupted power for on-the-go work and DIY projects, it's ready for whatever the day demands.

And with its sleek, modern design, it looks just as good as it performs.

WHY YOU NEED THE VOLTA 700X

Powered by a high-safety Lithium Iron Phosphate battery, the Volta 700X offers reliable performance and peace of mind, keeping your essential devices powered when you need them most.

With the ability to charge up to 12 devices simultaneously and support for portable solar panel charging, it delivers versatile power wherever your adventures or work take you.

Its Eco Mode is designed to minimise unnecessary power consumption, helping you make the most of every charge. And there's more – the Volta 700X also doubles as a convenient flashlight. Simply activate the dedicated button to illuminate your surroundings and enjoy added visibility wherever you are.

What can be powered using the **Volta 700X**?

- Wi-Fi Router
- Mobile Phone
- Camping Fridge
- Bluetooth Speaker
- Drone
- TV
- Light (LED)
- Laptop

Power through every outage with confidence.

Volta 700X

MAIN FEATURES AND BENEFITS

- Dust protected
- Ultra-safe lithium iron phosphate battery
- Gives you 537Wh of power
- Charge up to 12 devices simultaneously.
- Eco mode keeps you going longer
- Built-in light for added visibility

TECHNICAL SPECIFICATIONS

Dimensions

Width: 275 mm	**Height:** 200 mm	**Depth:** 202 mm	**Weight:** Approx. 6.5 kg (Excluding accessories)

Environmental

Operating temperature: Indoor ambient temperature, -20 to 400C operating/storage relative	**Operating/storage relative humidity:** 10% to 90% non-condensing

Capacity and Battery

Input voltages: 25-28VDC/10A (AC-DC Adapter) 12-28VDC/8A (DC MPPT - Solar Panel)	**Output voltages:** 5VDC/3A; 12VDC/10A; 20VDC/5A; 220-240 VAC	**Maximum output power:** 700 W	**Battery capacity:** 537 Wh	**Chemistry:** $LiFePO_4$

Safety Features

Over voltage protection	**Short circuit protection**

Compliance

CE and RoHS

Power through every outage with confidence.
